

Retreat Rates & Information

at Dry Creek Baptist Camp

THE PROCESS

First, get in touch with us to check if your retreat dates are available. We can accommodate more than one retreat group at once, but lodging and other facilities are available on a first-come, first-served basis.

We'll send you a retreat request form. Fill it out, and we'll use it to talk through your needs. Then we'll send you a contract! A \$400 deposit must be returned with your signed contract to reserve your dates for any retreat.

3 months before your retreat date, a 15% down payment deposit of your total numbers will be due. If your retreat was booked less than 3 months out, both deposits will be due at the time of the contract signing.

Neither of these are refundable, but in some cases, are transferable. A retreat schedule is required at least two weeks before your retreat (mealtimes, recreation areas needed, retreat activities, etc.)

A final number of guest must be given to us five business days before the 15% is due. This number will determine the payment for the first meal. After the first meal, the group will pay for actual numbers, which must be at least 80% of the final number given. The balance of retreat costs must be paid during your retreat unless prior arrangements have been made.

THE BASIC RETREAT

The basic retreat package consists of one night's lodging and 3 buffet-style meals. The cost will be determined by the type of accommodations, the number of people, etc. Generally, there is a 20-person minimum to reserve a retreat. The only exception to the minimum is if you are reserving a cabin or dorm-style lodging for your retreat and another group has already booked the same weekend.

In addition to lodging and three meals, your retreat fees include use of recreation areas, a meeting room, any equipment needed for meeting, coffee, ice, campfire, and hayride. Use of the ropes course, pool or lake will require additional fees.

Groups can cook their own meal(s) using the Back Porch, our outdoor kitchen. If our dining hall kitchen is used for any purpose, we will charge \$15/hr for one of our kitchen staff to be on site. Sunday breakfast can be no later than 8:00am and Sunday lunch can be no earlier than 12:00pm.

Exclusive use of the camp by groups of less than 150 can be arranged for a flat fee of \$750 which is in addition to the cost of lodging and meals. This does not guarantee the use of every facility on the campgrounds.
